

**MEDIA RELEASE – April 13, 2020**

**TMC CLINIC** continues to work with Windsor-Essex County Health Unit and local health care partners to continue to deliver **urgent care services** in response to the COVID-19 pandemic. As the situation evolves in the community, **protecting the health and wellbeing of our regular, as well as new patients remains our top priority**. Although clinic hours are reduced from normal operation – TMC Clinic continues to operate 7 days a week – and remains fully staffed to address the urgent care needs of our community.
